

# Design and produce a frontpanel

## From IBF-Wiki

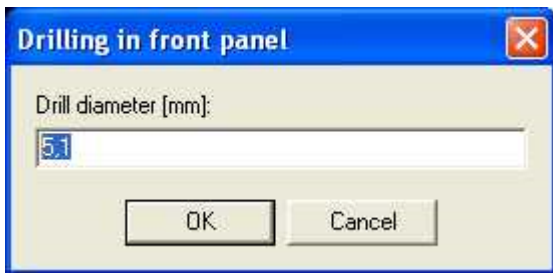

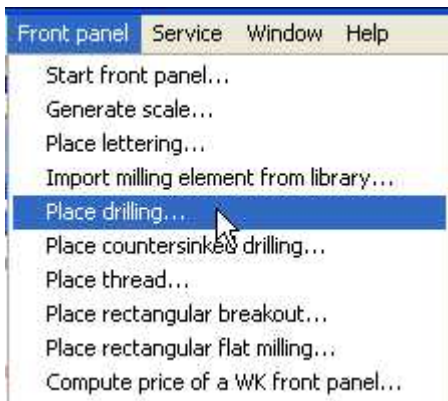

This article is part of an introduction tutorial called CrashCourse2

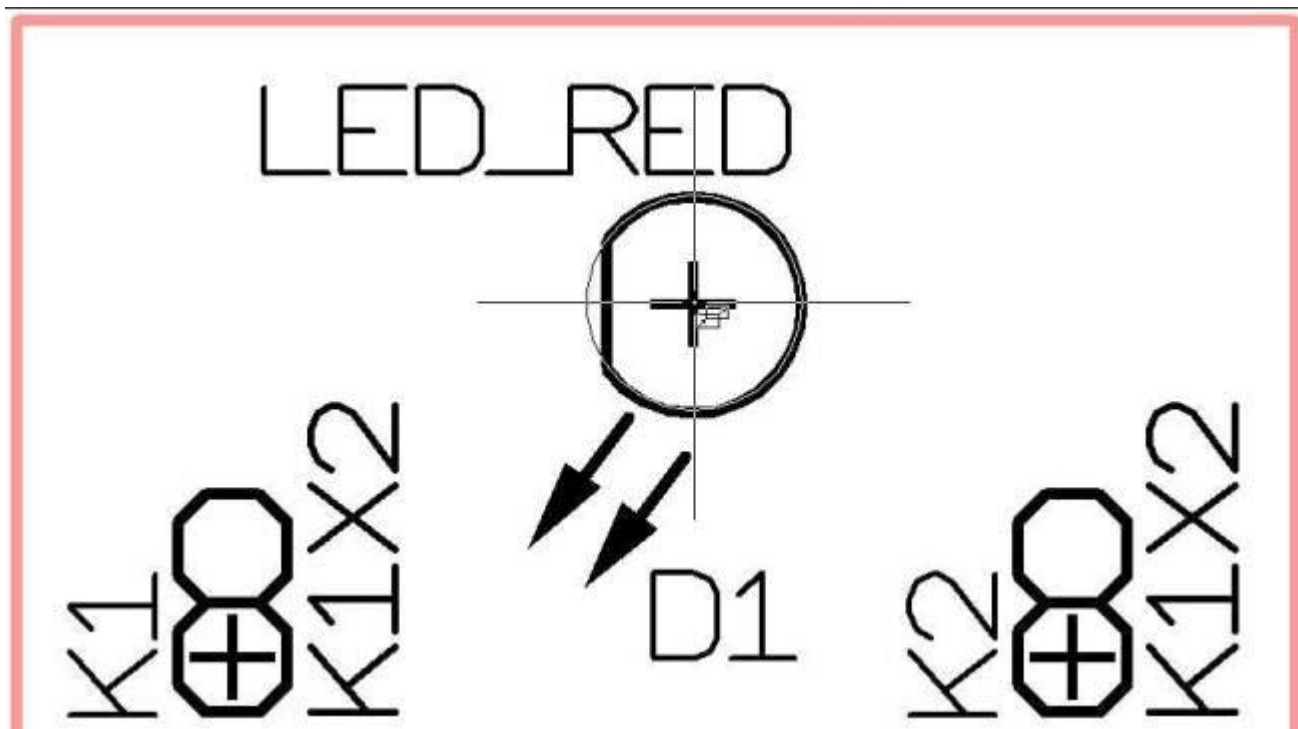

Download this article as PDF-File

This process is that easy, that the images should be sufficient...

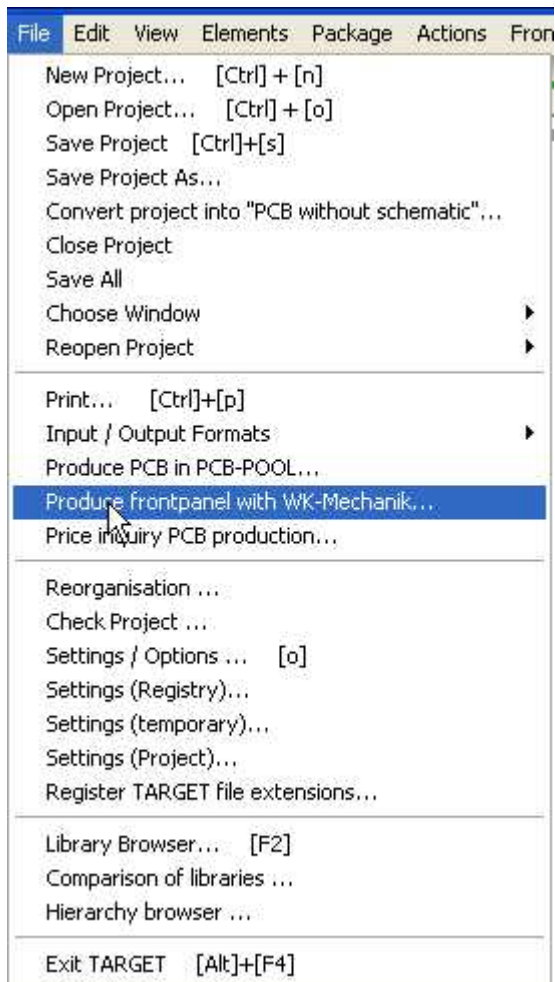

|                                     |    |                            |
|-------------------------------------|----|----------------------------|
| <input type="checkbox"/>            | 31 | Other                      |
| <input checked="" type="checkbox"/> | 30 | Frontpanel (lettering)     |
| <input checked="" type="checkbox"/> | 29 | Frontpanel (documentation) |
| <input checked="" type="checkbox"/> | 28 | Frontpanel (milling)       |
| <input type="checkbox"/>            | 27 | Air wire (ratsnest)        |
| <input type="checkbox"/>            | 26 | Pad numbers                |
| <input type="checkbox"/>            | 25 | Milling                    |
| <input type="checkbox"/>            | 24 | Drill holes                |

All other layers are faded out (only needed for this view)

**WK Calculator [Panel diode\_e\_sim]**

Front panel

Surface: Aluminium anodized silver ?

Panel thickness: 40 mil (1 mm) ?

Size: 35,0 mm x 25,0 mm ?  
875,00 mm²  
875,00 mm²

Quantity: 1 pieces ?

Lettering: engraved ?

Delivery time: 5-8 working days ?

Shipping to: Great Britain standard ?

Price calculation: ?

|                                       |                  |
|---------------------------------------|------------------|
| Order                                 | 10,00 EUR        |
| Piece                                 | 1,20 EUR         |
| Material                              | 0,06 EUR         |
| Milling                               | 0,35 EUR         |
| Threads                               | 0,00 EUR         |
| Countersinks                          | 0,00 EUR         |
| Engraveing                            | 0,00 EUR         |
| <b>Front panel</b>                    | <b>11,61 EUR</b> |
| Shipping (Great Britain standard 1kg) | 20,00 EUR        |
| <b>Total net</b>                      | <b>31,61 EUR</b> |
| VAT 21%                               | 6,64 EUR         |
| <b>Total gross</b>                    | <b>38,25 EUR</b> |

Customer

Invoice address

Company: My Company

Name: My Name

Street: My Street

City: My Code My City GB

Dispatch Address (if different)

Payment by: EuroCard / MasterCard

Creditcard

Holder:

Number: 0000 - 0000 - 0000 - 0000  
(will be transmitted encrypted)

valid thru: MM/YY CVN: ?

Special instructions and comments:

For call backs:

Telephone: My Phone Telefax: My Fax

eMail: My eMailAddress

**Continue: Gather and show data**

The frontpanel data are generated in DXF for production at any other frontpanel producer.

This is the end  
One step back
